INSTRUCTIONS FOR COMPLETING APPLICATION FOR SERVICE

Upon receipt of your application and all required documentation, the Pathways to Independence Intake Manager/Worker will review your request for service. Depending on the nature of the service request, the application/referral may be wait-listed until a resource becomes available, at which point you will be contacted for an intake meeting.

To avoid a delay in processing your application, review the following checklist to ensure you have completed the necessary steps.

- Review criteria to ensure eligibility.
- It is the responsibility of the individual, the referral source or the emergency contact to communicate any changes to the information provided, including contact information.
- Substitute Decision Maker documentation must be provided to be considered.
- Complete the Medical Status Form if you are unable to provide medical documentation to support your diagnosis of an acquired brain injury.
- Complete the Financial Disclosure section. The applicant or person legally responsible for financial decisions must sign on page 11.
- The applicant is encouraged to participate in the completion of this form as much as possible. This can be done in conjunction with a service provider and/or family member or loved one.
- Any documentation that supports the request and assists in identifying the specific needs of the applicant is required. Forms that are incomplete may be returned and will delay the application process
